American Gun, by Chris Kyle | NEWSREP

American Gun is definitely a fitting legacy for Chris Kyle, who was a passionate firearms advocate. It's written with the authority of a subject matter expert and the straight-talking voice of a warrior. From the onset, Kyle acknowledges that not everybody will agree with his choices, but it is indisputable that the research put into justifying his choices is educational, to say the least.

American Gun is about the guns from the 1700s through today's guns. If you know a lot about guns this is the book to read. If you are a person who wants to know about which war these guns were in. In my opinion i really like this book, not only because its military it's because it has the story's of each gun.
