[AP Human Geography ALL TERMS Flashcards | Quizlet](#)

Human geography a branch of geography that focuses on the study of patterns and processes that shape human interaction with the built environment, with particular reference to the causes and consequences of the spatial distribution of human activity on the Earth's surface

[AP Human Geography Chapter 1 Vocabulary - Quizlet](#)

One of the two major divisions of Geography, the spatial analysis of human population, its cultures, activities, and landscapes. Globalization the expansion of economic, political, and cultural processes to the point that they become global in scale and impact.

[AP Human Geography | National Geographic Society](#)

The Advanced Placement Human Geography (APHG) course introduces students to the systematic study of patterns and processes that have shaped human understanding, use, and alteration of Earth's surface. Students employ spatial concepts and landscape analysis to examine human social organization and its environmental consequences. They also learn about the methods and tools geographers use in their science and practice. It is an excellent course for preparing students to become geo-literate
