Barnett Newman and Heideggerian Philosophy : Claude ...

This book investigates the writings and works of the American Abstract Expressionist artist Barnett Newman in light of ideas articulated by one of Germany's most important and influential philosophers: Martin Heidegger. Barnett Newman and Heideggerian Philosophy - Home, Science ...

When examined in the context of Heideggerian thought, these issues acquire greater concreteness, and, in turn, their relation to the artist's paintings becomes clearer. It is the contention of this book that, at the intersection of art history and philosophy, an interdisciplinary framework emerges wherein the artist's broader motivations and the specific meanings of his paintings prove more
