Performance management is multi-faceted, ranging from issues about hiring, job descriptions, performance criteria, performance appraisal, formation, and firing procedures. As a charitable organization, the Church is subject to the same civil law employment regulations as companies in the private sector. Contributors demonstrate that Canon Law and Church

[Best Practices in Church Management | America Magazine](#)

The future of best practice in church management lies in thoughtful experiment, some of which will fail, and learning from experience. Our experience has taught us that best practice is, above all,

The parish that works: Business practices for the church ...

The goal is to adopt, to the extent possible, best practices from the business and nonprofit sector so as to more effectively utilize parish resources in service to the mission of the church, according to Peter Denio, coordinator of the Standards for Excellence project at the National Leadership Roundtable for Church Management (NLRCM, see Business schooled on page 14).
