In a former tuberculosis sanatorium, the Chavez children learned the lessons of the union and listened to endless conversations about the backbreaking work in the nearby fields. Now, they are

Chavez's Children: Ideology, Education and Society in ...

Comparing the attitudes of children in Bolivarian schools with those in private schools was a sensible strategy, but his over-reliance on the use of in-school surveys means that the reader is left wondering whether it is really the schools that engender the attitudes he uncovers, or simply the backgrounds of the children who attend them. Children in Bolivarian schools, which tend to be based
