Are You a Cultural Christian or a Biblical Christian

The result? Cultural Christianity. Cultural Christianity means pursuing the God we want instead of the God who is. It is the tendency to be shallow in our understanding of God, wanting Him to be more of a gentle-grandfather type who spoils us and lets us have our own way. It is sensing a need for God, but on our own terms. It is wanting the God we have underlined in our Bibles without wanting the rest of

Him too. It is God relative instead of God absolute.
