## Power Play Danielle Steel

Danielle Steel's gripping, emotionally layered novel explores the seductive and damaging nature of power. Success and greed, trust and deception, love and loss all come to a head in this compelling drama of family, careers, infidelity, and the sacrifices some people make to hold on to power ... or to let it go.

### Power Play by Danielle Steel - Goodreads

I currently have three Danielle Steel novels on my to-read list, and decided to read Power Play first. I was heartbreakingly disappointed. I was heartbreakingly disappointed. Marshall is a pompous sleazebag and on top of that a crybaby.
