Framing a Deck Around a Pool Framing around pools is very similar to framing around hot tubs that are set on concrete pads. Before finalizing deck plans, consult pool manufacturer's specifications for decking.

Building an Above Ground Pool Deck | Decks.com

Decks constructed around above-ground pools are no different than any other freestanding deck. They should not be attached to the pool for any stability. The pool is essentially just adjacent to the deck. For most above-ground pools, these decks will be anywhere between 3 to 6 feet above the ground and must be laterally braced from the beams/joists to the bottom of the posts. Cross-bracing in
