[Greenlee 1810 Little Kicker Offset Bender for 1/2-Inch EMT ...](#)

[A full throw of the handle creates an offset that is larger than most standard boxes. I just put a line on the side of the handle that showed me the stop point for the box I had. Without a full throw of the handle the offset is a little open, but once installed it was hard to notice and the fact that all the bends match made this a non issue.](#)
