[Flawless Consulting: A Guide to Getting Your Expertise ...](#)

Flawless Consulting is a classic in books on consulting, yet I was slightly disappointed. Don't get me wrong, Flawless Consulting is a good and useful book that will definitely improve your consulting perspectives and skills, yet I had expected more. The parts of the book related to consultant authenticity was excellent, but the parts on consulting phases and contracting felt mechanic.

[Flawless Consulting: A Guide to Getting Your Expertise Used](#)

Flawless Consulting includes two new examples, taken from health care and educational reform efforts, to show how consulting skills can be useful (and often transformative) in a broader context. These illustrative examples point the way for achieving changes for leadership in business, government, religion, human services, and more.
