Lord of the Flies William Golding

Lord of the Flies Ralph, Jack and Piggy are archetypes of human fallibility, but most of all they are real characters, fully imagined and leaping to life off the page. First published in 1954, this classic novel has sold millions of copies worldwide (more than 25 million in English alone).

Lord of the Flies Essay Questions GradeSaver

Many critics have read Lord of the Flies as a political allegory. In particular, they have considered the novel a commentary on the essential opposition between totalitarianism and liberal democracy. Using two or three concrete examples from the novel, show how the two political ideologies are figured in the novel, and then discuss which of the two you think Golding seems to favor.
