Honeybee Democracy is a brilliant display of science at work, with each experiment explained and illustrated." (New Scientist) "[I]t is a book well worth studying. Within its pages we find out about an important aspect of the life of the honeybee (with some practical implications for beekeepers), how researchers work both in the field and in the laboratory, the objective way in which the [Honeybee Democracy by Thomas D. Seeley - Goodreads](#)

Honeybee Democracy is an attractively presented book, from it's plain white cover with bees swirling around the title to the numerous black and white diagrams and graphs illustrating research projects and the coloured photographs studded throughout the text.

[Honeybee Democracy on JSTOR](#)

When a honeybee swarm chooses its future home, it practices the form of democracy known as direct democracy, in which the individuals within a community who choose to participate in its decision making do so personally rather than through representatives. The collective decision making of a bee swarm therefore resembles a New England town meeting in which the registered voters who are
