Media Research Methods | SAGE Publications Ltd  
The unique strength of this book is that it discusses the theoretical underpinnings of media research methodologies, and thereby presents a deeper discussion of methodologies than simply whether or not they offer techniques that generate reliable data.

Media research methods - SlideShare

Media research methods 1. Research methods used in my media coursework 2. I used primary and secondary research methods in the research stages of my products. Primary sources include - survey, interview, analyses of existing texts. Secondary sources include internet research (Wikipedia, Google).
