[United States midterm election - Wikipedia](#)  
Midterm elections in the United States are the general elections held in November every four years, near the midpoint of a president's four-year term of office. Federal offices that are up for election during the midterms are members of the United States Congress , including all 435 seats in the United States House of Representatives , and 33 or 34 of the 100 seats in the United States Senate .
