[Potty](#); Leslie Patricelli; 9780763644765; Books - Amazon.ca

It's a perfect first book to introduce my son to toilet training- I'm really happy with how vibrant and simple it is, it's also very durable and illustrates well how you might feel when you need to use the bathroom, and I LOVE that the baby in the book isn't perfect; it illustrates the process of learning to use the potty as one that takes time to master, but is an accomplishment to be proud of!
[Top 10 potty training books | Children's books | The Guardian](#)

This classic potty training book tells the story of how a little one first learned how to use a potty. Filled with bright graphics and clear, age-appropriate language, the book guides the toddler

[Super Pooper Book - Potty Training for Kids eBook: Monika ...](#)

This book is truly just a cute little "poop in the potty" story - the boy who narrates it says he learned to pee in the potty & then a short time later learned to poop in the potty. Nothing about how or why, just that he's now a Super Pooper and someday his little brother will be too. The end. Looking at other books like "It Hurts When I Poop" & hoping something works
