Mr H Reads A Snicker of Magic

The problem with A SNICKER OF MAGIC is that I am not the ideal reader for this book. I understand that that is not really a problem with the book itself at all. Many of my 5th grade girls, who love to live in the clouds, are the ideal readers for this book. Being reminded of Appelt and Law's style of writing, made it really difficult for me to appreciate the language in the book, which I usually do not have a problem with despite not being a member of its ideal audience.

A Snicker of Magic: Midnight Gulch used to be a magical place. But that was long ago before a curse drove the magic away. 12-year-old Felicity knows all about things like that; her nomadic mother is cursed with a wandering heart.

READ A Snicker of Magic Hardback Common 2000 Online

And the conclusion is nothing short of Dickensian! What a great read! Summary: this book is about a

girl who always moves around the world. One day she moves to a place that used to be magical but now not so much anymore. Felicity meets new friends and tries to get the magic back on the city. My Opinion: it was great but there was one part that I think they should add in about her dad Christian Worldview: It is involved with a lot of magic and there is no such thing.
