Sliding Glass Door Locks can be replaced, heres how Sliding glass door locks such as the steel mortise style locks shown on this page are used in wood, vinyl and aluminum patio doors. They are often used in higher end doors because steel mortise locks are more secure than the cast aluminum alloy versions used in many patio doors. Glass Panels: Several closet sliding doors come with glass panels. If you're going for a contemporary look, consider closet sliding doors with frosted glass, which diffuses the light that passes through it. As a result, it blurs the objects on the other side, creating an aura of mystery. Ensure the glass in your closet sliding doors is tempered to reduce the risk of injury in case the door
