What do Speech-Language Pathologists do? More than you think! When most people think about speech-language pathologists (S-LPs) they probably think of someone who helps people who stutter or have a lisp. While it's true that they do help with those issues, their scope of practice is a whole lot broader. Speech-language pathologists are highly-educated professionals who have a minimum of a [Speech-Language & Audiology Canada |](#)
