[Videography Contract | Videographer Contract Template ...](#)

A Videography Contract is a service contract between the videographer and a client. It outlines details such as the time, place and duration of the job plus pricing information and cancellation policies. It also includes two-sided protections such as "act of God" protection and an agreement to arbitrate rather than going straight to court with an issue.

[Contracts for Music Videos - Videomaker](#)

Contracts are important for any production. They help your talent and crew understand what's expected from them and they help you keep your business secure. To help you with your contracts, we'll be looking at talent and location releases, employee contracts, and client agreements so that you can stay out of court.
