Top 15 Popular Young Adult Vampire Series I had the pleasure of coming across a post from Vampires.com not too long ago. They wrote a special feature: What Is Your Favorite Young Adult Vampire Series? In the post - which I found insightful- they listed several YA Vampire Novels. Since I'm a bona fide list collector, I felt the topic was well worth repeating or reposting, rather. But what I

Vampire books for young adults aren't limited to the Twilight Series, but it does deserve a special mention for the fame it's garnered, and the skill with which it's written. Among the novels for teenagers that are bound to work, vampire novels seem to hold a high ranking for their inevitably fast paced narrative, and their immensely readable style. As with every fantasy fiction fan, vampire [Not Your Mother's Vampire: Vampires in Young Adult Fiction ...](#)
